

Thank You!

A MESSAGE FROM HALL HENDERSON, PRESIDENT

We want to start by saying THANK YOU for a great year. Successful businesses rely on a winning team, and our employees - together with our clients - make us all champs.

Day in and day out, we strive to offer the best service in the title business. Our knowledge, professionalism and responsiveness are the reason you turn to us to close your deals. Promptness and attention to detail on our part helps your image in the eye of the customer and also helps your business, and that's tremendously important to us.

Our employees across the company enable us to serve clients throughout East Texas. We seek out not only capable people, but people with a willingness to do whatever it takes to get the job done. Above all else, we expect our employees to be honest and possess a great attitude. Then, we get out of the way and let them work!

Finally, we know that we would be lost without you, our client. Our relationship with you is what creates our purpose. We hope that by now you know that you can lean on us when you need us. We certainly depend on you for your feedback and your loyalty. The way we handle your orders with care and commitment is our trademark.

We are looking forward to a bright and successful 2019 full of opportunity. We know that you have a choice when it comes to title work – just as you know that your clients have choices. This is why we work so diligently to ensure a smooth closing for your clients. Thank you for your loyalty and your confidence in us.

Sincerely,

Hall Henderson
